Hearts and Hands Together

Written and Illustrated by Rebecca Berry, MS, PT and the First Grade students at Redeemer Lutheran School.

This book was written by Rebecca Berry and the first grade students at Redeemer Lutheran School about their experience with Claire, a child with autism, who joined their class. The book is designed to be used as a tool for typical students so that they can become more sensitive to the differences and similarities that they share with atypically developing peers.

Price: **\$12.50** includes shipping (US only) and handling.
